Dear Member:

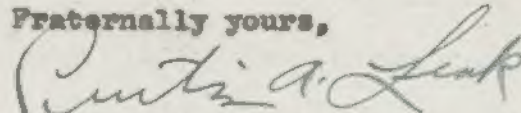

Herewith please find the minutes of the last meeting; and please make the following changes in your schedule:

Baltimore at Altoona VS the Grays on May 10.

Grays at Newark, Twilight, on May 14.

Please instruct your manager to streamline the league games by not having the players to toss the ball around the infield after foul balls or when a new ball is put into the game. The practice of throwing the ball over to the first baseman while the players are taking their places and the pitcher is taking his warm up throws should be sufficient practice for the infielders. The players should also trot out to their positions, thus taking the drabness from the game and giving it life and lustre.

Fraternally yours,

Curtis A. Leak, Secretary
